Alert number: [A12/02517/23](#)

Notifying country: Lithuania

Product: Plastic doll

Name: LALECZKA

Brand:

Type / number of model: PX1713E

Description: The head of the doll is made of soft plastic, the body is made of hard plastic, the hair is made of synthetic fibre, braided into a bun. The doll is dressed in a dress and shoes.

Country of origin: China

Risk type: Chemical

The product has an excessive concentration of di-2-ethylhexyl phthalate (DEHP) (measured value: up to 17.6% by weight). This phthalate may harm the health of children, possibly causing damage to the reproductive system. The product does not comply with the REACH Regulation.

Alert number: [A12/02520/23](#)

Notifying country: Lithuania

Product: Plastic doll

Name: Fashion

Brand:

Type / number of model: P-1456

Description: Plastic doll with a dress and accessories.

Country of origin: China

Risk type: Chemical

The plastic material of the doll contains an excessive concentration of di-n-octyl phthalate (DNOP) (measured value: 6.1 % by weight), di-'isononyl' phthalate (DINP) (measured value <0.02 % by weight). These phthalates may harm the health of children, possibly causing damage to the reproductive system. The product does not comply with the REACH Regulation.

Alert number: [A12/02499/23](#)

Notifying country: Finland

Product: Key ring with soft toy

Name:

Brand: myhome office

Type / number of model:

Description: Plush toy keychains in several shapes: a furry ball shaped light pink bunny with carrots in its ears and white cat with black ears and pink plastic nose.

Country of origin: China

Risk type: Choking

Small parts (metal keyrings and the plastic nose of the plush toy) detach too easily. A small child may put them in the mouth and choke. The product does not comply with the requirements of the Toy Safety Directive nor with the European standard EN 71-1.

Alert number: [A12/02521/23](#)

Notifying country: Lithuania

Product: Plastic doll

Name: CRY Babies

Brand:

Type / number of model: BL8023

Description: Plastic doll dressed in clothes, sitting in a hard plastic chair, with two plastic bottles included.

Country of origin: China

Risk type: Chemical

The plastic material of the doll contains an excessive concentration of bis(2-ethylhexyl) phthalate (DEHP) (measured value: 20.2% by weight) and dibutyl phthalate (DBP) (measured value: <0.01 % by weight). These phthalates may harm the health of children, possibly causing damage to the reproductive system. The product does not comply with the REACH Regulation

Alert number: [A12/02511/23](#)

Notifying country: Slovenia

Product: Soft toy

Name:

Brand:

Type / number of model:

Description: Plush toy- teddy bear with a suction cap attached to its head and a ribbon around the neck.

Country of origin: China

Risk type: Chemical, Choking, Strangulation

Small parts (nose and suction cup) can easily detach. A small child may put them in the mouth and choke. The product also poses a risk of strangulation due to the presence of a ribbon intended to be tied in the neck area. Moreover the product has an excessive concentration of di-2-ethylhexyl phthalate (DEHP) (measured value: up to 26.6% by weight). This phthalate may harm the health of children, possibly causing damage to the reproductive system. The product does neither comply with the REACH Regulation, nor with the requirements of the Toy Safety Directive nor with the European standard EN 71-1.

Alert number: [A12/02501/23](#)

Notifying country: Lithuania

Product: Toy slime

Name: Bucket slime

Brand:

Type / number of model: LZY: 31101

Description: Jouet pétrissant la boue

Country of origin: China

Risk type: Chemical

The migration of boron from the toy slime is too high (measured value up to 922 mg/kg). Ingestion or contact with an excessive quantity of boron may harm the health of children by damaging the reproductive system. The product does not comply with the requirements of the Toy Safety Directive nor with the European standard EN 71-3.

**Alert number:** [A12/02497/23](#)

**Notifying country:** Lithuania

**Product:**

**Name:** Rattle toy

**Brand:**

**Type / number of model:** SK-26244

**Description:** Rattle-shaped pink swan on a long butterfly holder made of hard plastic. The holder opening is closed with a cover. A clear plastic globe is attached to the back. The body of the butterfly is a moving button to activate three power supply AG 3 batteries.

**Country of origin:** China
