Alert number: [A12/02671/23](#)

Notifying country: France

Product: Fancy-dress costume

Name: PINK WITCH

Brand: Fiestas Guirca

Type / number of model: PETITE SORCIÈRE 12-18 mois - 83037

PETITE SORCIÈRE 6-12 mois - 83036

Description: Black and purple witch costume, consisting of a dress and a hat.

Country of origin: China

Risk type: Burns, Choking and Strangulation

The product has small parts (sequins) which can easily become loose. A small child may put them in the mouth and choke. Moreover, the buckle of the witch's hat is too large, which may lead to strangulation. Also, the hat is easily flammable and the flame propagation is too high. If it catches fire, the child could suffer burns. The product does not comply with the requirements of the Toy Safety Directive nor with the European standard EN 71-1.

Alert number: [A12/02667/23](#)

Notifying country: Lithuania

Product: Toy Plane with sweets

Name: FantasyToys

Brand: Unknown

Type / number of model: NO:898

Description: Orange three-wheeled, rigid transparent, plastic airplane with sweets. Colourful stickers with pictures, notes and plastic film are attached to it. In the cabin there is a transparent plastic disc with two LR-41 batteries and a light. A self-retracting string is attached for pulling the toy.

Country of origin: China

Risk type: Choking and injuries

The toy has small parts (wheels, stickers, the plastic disc film, the plastic part of the cord) that can easily detach. A child may put them in the mouth and choke. Additionally, the toy has exposed metal axles on the discs and wheels, which may cause injuries to a child. The pulling string has a too strong retraction, which could also hurt a child. The product does not comply with the requirements of the Toy Safety Directive.

Alert number: [A12/02661/23](#)

Notifying country: France

Product: Expandable toy

Name: Dinosaur Egg

Brand: Kim'play

Type / number of model: Référence 300058

Description: Egg containing a dinosaur figure that expands in contact with water. The dinosaur egg must be immersed in water for 48 hours in order to dissolve and reveal the dinosaur figure inside.

Country of origin: China

Risk type: Choking and injuries

The dinosaur figurine can be put into the mouth and swallowed by children. As this figurine expands, it can cause fatal occlusion of the respiratory tract or intestinal blockage of small children. The product does not comply with the requirements of the Toy Safety Directive nor with the European standard EN 71-1.

Alert number: [A12/02660/23](#)

Notifying country: Lithuania

Product: Machine toy set

Name: Cartoon series

Brand: KANG XIN TOYS

Type / number of model: Unknown

Description: A set of toy machines consisting of a dump truck, a cement mixer truck, and a forklift of various colours.

Country of origin: China

Risk type: Choking

The toy has small parts (the connecting parts of the rigid plastic tipper and the moving parts of the lift) which can easily detach. A small child may put them in the mouth and choke. The product does not comply with the requirements of the Toy Safety Directive nor with the European standard EN 71-1.

Alert number: [A12/02659/23](#)

Notifying country: Czechia

Product: Toy with sweets

Name: Lolly TOYS & CANDIES

Brand: Lolly global

Type / number of model: 10 3, 10 2023, 10 2021

Description: Plastic doll, about 8 cm tall, available with different hair colours and clothes. The doll is packed together with candies.

Country of origin: Türkiye

Risk type: Chemical

The plastic material of the head of the doll contains di-(2-ethylhexyl) phthalate (DEHP) (measured value up to: 30.32% by weight). This phthalate may harm the health of children, possibly causing damage to the reproductive system. The product does not comply with the REACH Regulation.
