Alert number: [A12/00075/24](#)

Notifying country: France

Product: Electric toy train

Name: "High speed trains"

Brand: OFKPO

Type / number of model: Unknown

Description: Musical electric train with lights, made of white plastic. This product is sold online, in particular via Amazon (ASIN B076LRWJPH)

Country of origin: China

Risk type: Chemical & Damage to sight

The cover of the battery compartment opens easily if the toy is dropped and the batteries become accessible, and may be ingested by a child, thus causing irreversible internal damage. The LED light in the toy is too bright. If the LED is directed towards a child's eye, it may cause injury to the retina. This product does not comply with the Toy Safety Directive nor with European standard EN 62115

Alert number: [A12/00091/24](#)

Notifying country: France

Product: Plastic figurines

Name: "A world of Ice and Snow" et "Collect them all"

Brand: Frozen 2

Type / number of model: Figurines la Reine des Neiges "Frozen 2"

Description: Plastic figurines of characters from Frozen. All batches are concerned.

Country of origin: China

**Counterfeit**

Risk type: Chemical

The toy has an excessive concentration of bis(2-ethylhexyl) phthalate (DEHP), diisobutyl phthalate (DIBP) and dibutyl phthalate (DBP) (measured values: 4.53%, 0.31% and 0.25% by weight, respectively). These phthalates may harm the health by possibly causing damage to the reproductive system. The product does not comply with the REACH Regulation.

Alert number: [A12/00072/24](#)

Notifying country: France

Product: Toy crossbow

Name: Arbalète en bois à bouchon

Brand: EcoloJeux

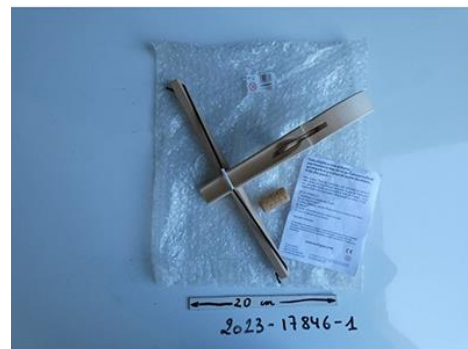

Type / number of model: 745

Description: Wooden crossbow with cork projectile.

Country of origin: Germany

Risk type: Damage to sight & Injuries

The toy can launch the projectile or an improvised projectile with excessive kinetic energy, causing injury to a person in the path of that projectile, with a particular risk of eye damage. The product does not comply with the Toy Safety Directive nor with European standard EN 71-1.

Alert number: [A11/0007/24](#)

Notifying country: Poland

Product: Toy scooter

Name: Scooter 5 in 1

Brand: Unknown

Type / number of model: YM-SCT-7 GREEN

Description: Three-wheeled scooter designed for children from 2 years of age, packed in a cardboard box.

Country of origin: China

Risk type: Injuries

The locking mechanisms of the steering tube are inadequate, the handlebar may slide. A child may fall from the scooter and suffer injuries. The product does not comply with the requirements of the Toy Safety Directive nor with the European standard EN 71-1.

Alert number: [A12/00125/24](#)

Notifying country: Czechia

Product: Toy gun

Name: Pistole na baterie

Brand: Unknown

Type / number of model: 78090

Description: Toy with button batteries, intended for children older than 3 years. A paper label is attached to the toy using a plastic handle.

Country of origin: China

Risk type: Environment

The solders in the product have an excessive concentration of cadmium (measured value up to 0.18% by weight) and lead (measured value up to 77.9% by weight). Cadmium bio-accumulates and poses a risk to the environment and lead poses a risk to the environment. The product does not comply with the requirements of the Directive on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS 2 Directive).

Alert number: [A12/00119/24](#)

Notifying country: France

Product: Toy crossbow and pistol

Name: Shoot soft bullet gun

Brand: Unknown

Type / number of model: 70819

Description: Toy plastic crossbow and pistol sold with three arrows.

Country of origin: Hong Kong

Risk type: Choking

The suction cups of the arrows can easily detach. A small child could put them in the mouth and choke. The product does not comply with the requirements of the Toy Safety Directive nor with European standard EN 71-1.

Alert number: [A11/00010/24](#)

Notifying country: Poland

Product: Electric toy motorcycle

Name: Motor

Brand: Unknown

Type / number of model: 144240

Description: A battery-powered toy motorbike.

Country of origin: China

Risk type: Injuries

There are inadequate distances between the elements of the toy (wheels and motorcycle body). A child's foot may get caught between the elements. A child may suffer bruises or injuries. The product does not comply with the requirements of the Toy Safety Directive nor with the European standard EN 71-1.
