**Alert number:** [A12/00130/24](#)

**Notifying country:** Slovakia

**Product:** Toy train

**Name:** BINO wooden train with animals

**Brand:** Bino

**Type / number of model:** 82143

**Description:** Wooden children's toy in the form of a train, made of treated wood. The toy consists of a locomotive that can be disassembled into a chassis with pegs, a cab and the front part of the locomotive and two wagons and two animal figurines (cow and horse). Product sold online.

**Country of origin:** Unknown

**Risk type:** Choking

The toy has small parts. A small child may put them in the mouth and choke. The product does not comply with the requirements of the Toy Safety Directive nor with the European standard EN 71-1.

**Alert number:** [INFO/00032/24](#)

**Notifying country:** Sweden

**Product:** Balloons

**Name:** Latex Balloons

**Brand:** Unknown

**Type / number of model:** 1m6202203091014124723zj

**Description:** Latex balloons in different colours with printed pictures of various animals. Product sold online, in particular via Joom.

**Country of origin:** China

**Risk type:** Chemical

The balloons release an excessive amount of nitrosatable substances (measured total value up to 1.81 mg/kg). Nitrosatable substances can be transformed into nitrosamines which may cause cancer through ingestion or dermal exposure. A child will be exposed to them when blowing up or touching the balloons. The product does not comply with the requirements of the Toy Safety Directive nor with the European standard EN 71-12.

**Alert number:** [A12/00152/24](#)

**Notifying country:** Sweden

**Product:** Toy slime

**Name:** Galax Crystal Slime

**Brand:** Unknown

**Type / number of model:** 3F13-30-B DW360-Pr

**Description:** Blue/silvery-colour slime packed in a transparent plastic egg container.

Product sold online.

**Country of origin:** China

**Risk type:** Chemical

The migration of boron from the toy slime is too high (measured value up to 970 mg/kg). Ingestion or contact with an excessive quantity of boron may harm the health of children by damaging the reproductive system. The product does not comply with the requirements of the Toy Safety Directive nor with the European standard EN 71-3.

**Alert number:** [A12/00151/24](#)

**Notifying country:** Sweden

**Product:** Toy slime

**Name:** Crystal slime

**Brand:** Unknown

**Type / number of model:** 211231133638042002

DYY80427864CL

F02A24G7-04

**Description:** Transparent slime in a jar. The lid has a sticker with an orange fish on green background. Product sold online, in particular via Joom.

**Country of origin:** China

**Risk type:** Chemical

The migration of boron from the toy slime is too high (measured value up to 1200 mg/kg). Ingestion or contact with an excessive quantity of boron may harm the health of children by damaging the reproductive system. The product does not comply with the requirements of the Toy Safety Directive nor with the European standard EN 71-3.

Alert number: [A12/00150/24](#)

Notifying country: Malta  
Product: Plastic doll  
Name: Strawberry Shortcake - Sweet Beauty Doll  
Brand: Fashion  
Type / number of model: 9270

Description: Plastic doll, blonde hair.  
Country of origin: China

Risk type: Chemical  
The plastic material of the product has an excessive concentration of bis(2-ethylhexyl) phthalate (DEHP) and diisooctyl phthalate (DIOP) (measured value up to 11.2% by weight, combined), and dibutyl phthalate (DBP) (measured values up to 0.2% by weight). These phthalates may harm the health of children, possibly causing damage to the reproductive system. The product does not comply with the REACH Regulation.

Alert number: [A12/00129/24](#)

Notifying country: Cyprus  
Product: Acrylic paint set  
Name: "GLOW IN THE DARK ACRYLIC COLOURS SET"  
Brand: Little President  
Type / number of model: 9178

Description: 12 tubes of 12ml of acrylic colours in different shades  
Country of origin: China

Risk type: Chemical  
The migration of strontium from the toy is too high (measured value: up to 6000mg/kg). Ingestion or contact with an excessive quantity of strontium may harm the health of children by irritating the skin and/or affecting the normal development of the skeleton. The product does not comply with the Toy Safety Directive nor with European standard EN 71-3

Alert number: [A12/00127/24](#)

Notifying country: The Netherlands  
Product: Toy train  
Name: Princess Train  
Brand: Bigjigs Toys  
Type / number of model: 003508

Description: Wooden toy train composed of four separate wooden train parts, magnetically connected to each other. Product sold online.  
Country of origin: China

Risk type: Choking  
One of the magnets, the yellow chimney and the stop sign can easily be detached. A child can put them in the mouth and choke. The product does not comply with the requirements of the Toy Safety Directive nor with the European standard EN 71-1.

Alert number: [A12/00132/24](#)

Notifying country: Cyprus

Product: Stamp pen set

Name: Stamp Pen

Brand: FANFENG/STAMP PEN

Type / number of model: 3772-12

Description: 12 stamp pens of different colours

Country of origin: China

Risk type: Chemical

The stamp pens have an excessive concentration of lead (measured value: 0.97 mg/kg). Lead is harmful to children as it can lead to developmental neurotoxicity. It accumulates in the body and may also affect their future progeny when breast-fed or unborn. The product does not comply with the requirements of the Toy Safety Directive nor with the European standard EN 71-3.

Notifying country: Cyprus

Product: Pencil set

Name: 24 Crayons de couleur mines résistantes

Brand: LES DOODINGUES DE CASINO

Type / number of model: 2143

Description: Set of 24 coloured pencils in different vivid shades

Country of origin: China

Risk type: Chemical

The set of pencils has an excessive concentration of lead (measured value: 4.31 mg/kg). Lead is harmful to children as it can lead to developmental neurotoxicity. It accumulates in the body and may also affect their future progeny when breast-fed or unborn. The product does not comply with the requirements of the Toy Safety Directive nor with the European standard EN 71-3.

Alert number: [A12/00149/24](#)

Notifying country: Malta

Product: Slime toy

Name: Unknown

Brand: CRYSTAL MUD

Type / number of model: Unknown

Description: Yellow slime toy with dinosaur figurine.

Country of origin: China

Risk type: Chemical

The plastic material of the product (figurines) has an excessive concentration of bis(2-ethylhexyl) phthalate (DEHP) and diisooctyl phthalate (DIOP) (measured value up to 19.4% by weight, combined). These phthalates may harm the health of children, possibly causing damage to their reproductive system. The product does not comply with the REACH regulation.

Alert number: [A12/00148/24](#)

Notifying country: Sweden

Product: Finger paint

Name: Finger paint

Brand: Mideer

Type / number of model: HMD4110JF0806

Description: Eight tubes of washable finger paint in varying colours. Product sold online.

Country of origin: China

Risk type: Chemical

The product has an excessive concentration of benzisothiazolinone (measured value: up to 15 mg/kg). Benzisothiazolinone is a skin sensitiser and triggers allergic reactions or contact dermatitis. The product does not comply with the requirements of the Toy Safety Directive nor with the European standards EN 71-9.

Alert number: [A12/00139/24](#)

Notifying country: The Netherlands
